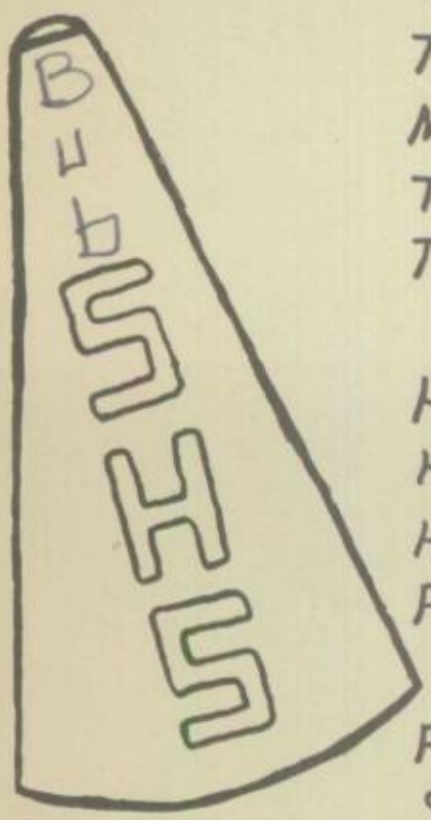
"TO THE BLUE AND THE GOLD"

- Grace Chandler Colwick

Here's a toast to Stephenville High,
We her praises ever sing,
Stand and cheer her name once again,
Loudly may the echoes ring.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

To the Blue — to the Gold —
To our school and its glorious history;
To our faith — to our zeal —
To the days we remember so joyfully.



To the Blue — to the Gold —
May we carry our banner to victory;
To our hopes — to our dreams —
To the world we shall make ours some day.

Here's to all our glorious past,
Here's to our victories won —
Here's to glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

Coach Jimmie Marshall

James Willingham--Tackle

Bulldog proved to be the roughest tackle ever to hit S.H.S. The rougher the play, the better he liked it. His hard playing earned him an All-District position.

Charles Casstevens--Back

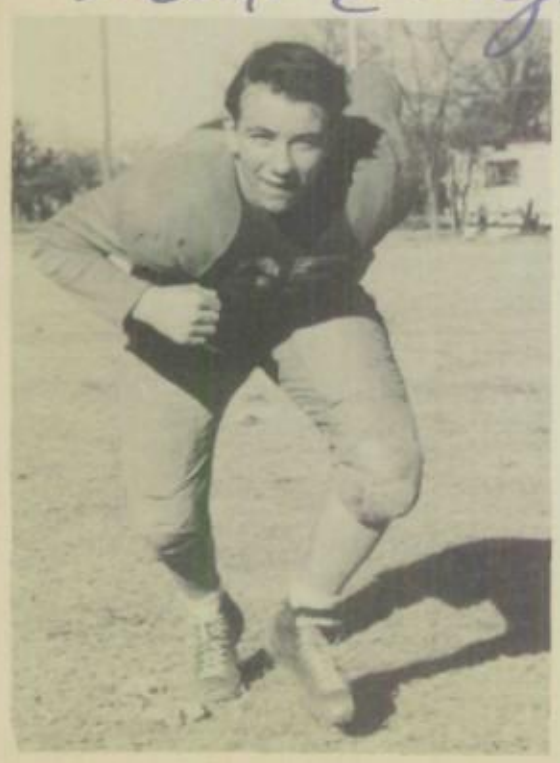
"Casey", the smallest man on the team, passed and punted like a demon. Added to his ability was a snake-hipped side-step that puzzled the experts.

Scotty Scott--Back

Scotty was a tricky little quarterback with a passing arm that didn't miss and a wicked punting leg. Beyond a doubt he had the drive of a 200-pounder.

Albert Cragwall--Tackle

"Crag", a tough tackle who tore every play to pieces with a charge like dynamite, has another year to prove his ability to District 9AA

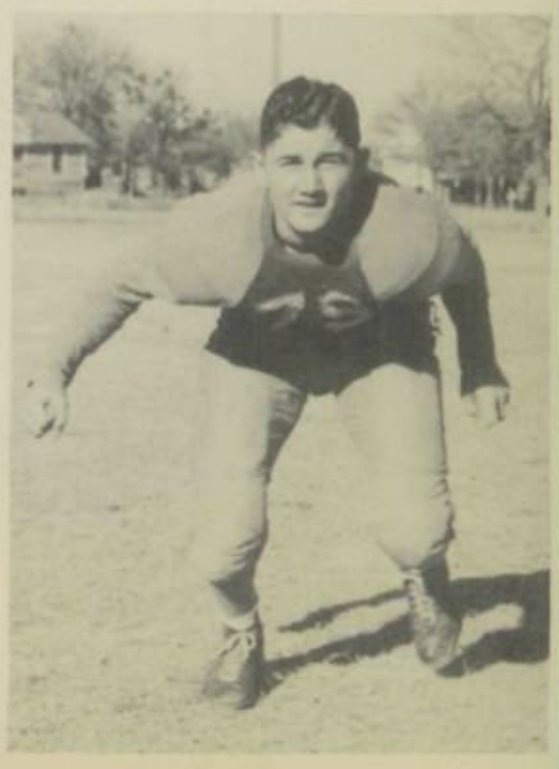


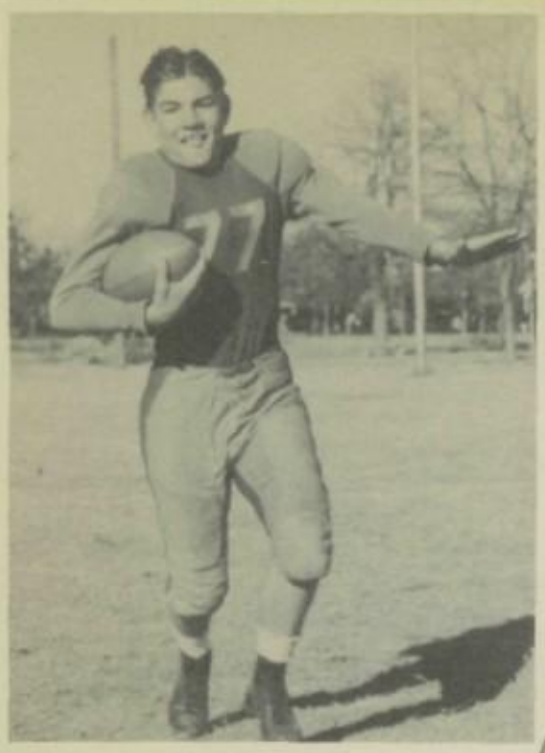
Ernest Boucher--Back

"Pinky", a hard-blocking, snake-hipped fullback with a mighty drive, was a real player and loved the game. When a yard was needed, Boucher came through.

J. C. Snow--Guard

Snow was a rugged guard who held his ground when the going was tough. His favorite hobby was breaking up plays before they had developed.





Joe Day Pair--Back

"Pair" played his third year as back and piled up 84 points--a score which was among the top in the district. He had as much spirit and fight as anyone who ever played for S.H.S. He was awarded a position on All-District second team.

How do you like this wonderful pose. I hope you get to see all the games next year, "Pair"

Ralph Poteet--Back

"Bass", a wicked fullback with the drive of an all-American, would not stop under a five-yard gain. He used his swiveled hips to a great advantage.

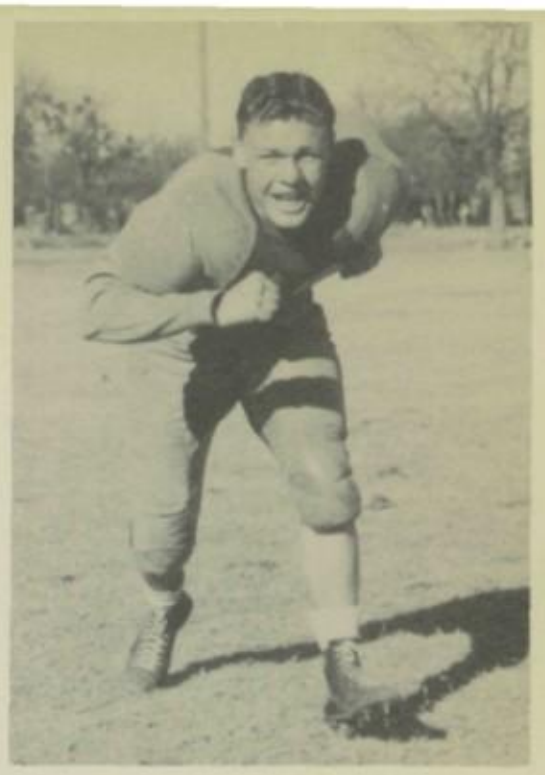
Remember Poteet

Billy Walker--Tackle

Bill, one of the best tacklers in the district, was constant on offense; and a play never got by him on defense. He played his heart out every minute of the game.

Bluefford Hancock--Center

"Butch", the sparkplug of the team, was always on the spot for tackles and pass interceptions. He played for keeps.

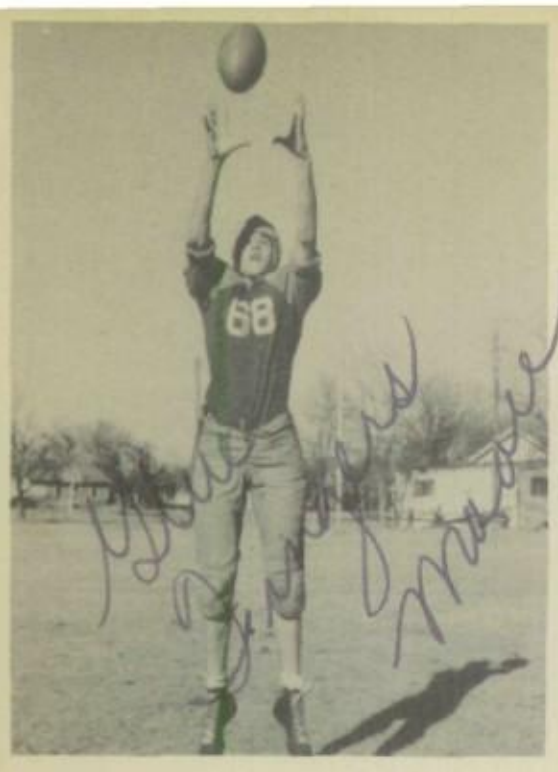


Leon Roberts--Guard

With a charge that could not be stopped, "Bod" got a hand in every play. Everyone knew that he was the best guard in the district. Because of his outstanding work, he was placed on the All-District second team.

Bob Gore--Guard

Bob was a hard-hitting guard who fought every minute of the game. He was always ready for anything. His great spirit and determination were a great help to the Jackets.

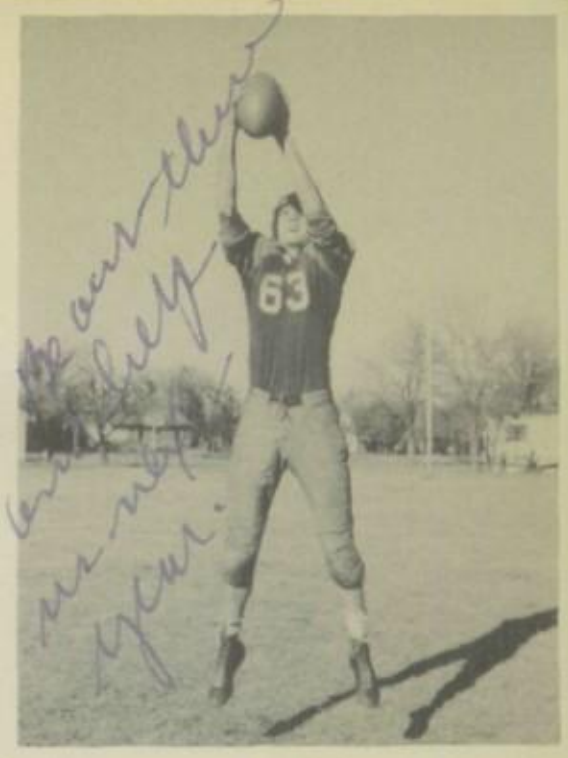


Billy Joe Moore--End

"Mole", a fleet-footed end, mowed 'em down on defense and was a work-horse on offense. He could catch passes from any angle.

Robert Camerson--Back

"Cebe", a great passer and punter, was rated along with the best in the district. A tricky change of pace made him a dangerous man in his broken-field running. He was selected for a place on the All-District second team.



Rufus Higgs--End

Bud's ability to catch passes proved to be a great asset to the Jackets. His great speed made him stand out in broken-field running. His position on the All-District second team was well deserved.

BASKETBALL

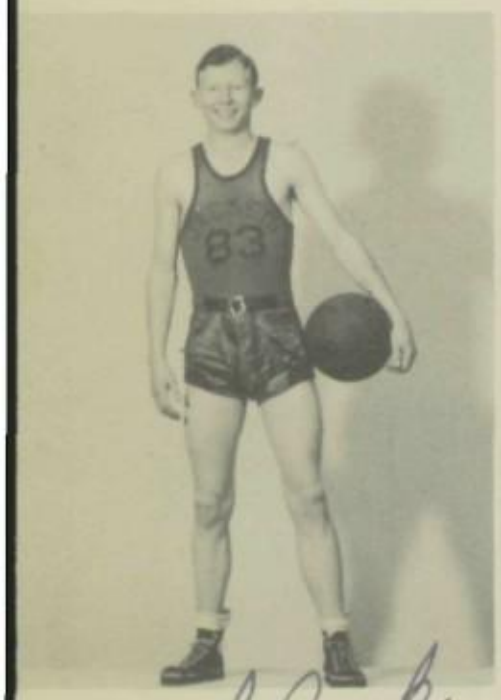
Front row: Jr. Smith, Ernest Boucher, Rufus Higgs, Carroll Kerr.
Back row: Coach Marshall, Charles Casstevens, Rayford Sullivan, Charles Wood, Billy Parnell.

The Jackets started the season with a 25-19 victory over the Dublin Lions. Next the team competed in a tournament at Brownwood and was defeated in the finals by Cross Plains. The Jackets also placed second in the Gorman tournament and third in another held at De Leon. In preparation for the district play-off the Jackets encountered both Dublin and Huckaby in several practice tilts. In the games each team took its turn in winning. In the district tournament, held at Ranger February 19, the Jackets won their first game from Ranger by a score of 11-9, and their second one from Weatherford with a score of 18-14. These two victories placed the team second in the district. In this tournament the team suffered only one defeat and that at the hands of the fast Breckenridge team.

To get the ball Charles Wood

Charles Wood--Forward

Charles was the high-point man of the squad; his leadership had much to do with the team's victories.



Good luck to you. Charles Wood

Rufus Higgs--Guard

Bud, who proved to be one of the fastest men on the team, earned his first letter this year.

Ernest Boucher--Center

Dear Baxter,

I have never enjoyed the association of an underclassman as I have you. If it hadn't been for you I would never have made as much progress in band as I have. You are a very swell solo cornet player. May you get better all the time.

Good luck to you next year. Paul & Shane. Remember you are the best cornet players in the band. Always remember the 5:45's
